

FurnishMe

FurnishMe by iBuyWeSell.com available on the Google Play Store today

"An App that helps you sell and buy furniture from people you know and trust."

MELBOURNE – October 02, 2013 - Available today, the app FurnishMe is a new addition to the iBuyWeSell application family it offers you an everyday tool for selling New, Unwanted or Unused Furniture, and more importantly providing you with the option of buying furniture from people you know and trust. Currently FurnishMe is available for Android phone users.

What FurnishMe does best it enables everyone with an android device to save time, money, energy and nerves while searching for new or second-hand pieces of furniture or basically selling unwanted furniture. A user can enjoy all these benefits after a simple signup in a few clicks. The items for sale are represented with Picture, Video and Text.

Main features of app are:

SEARCH - there are three types of search: "Free text/keyword search", "by Category" and "Around me" search. After you signup you are going to be able to enter a keyword of the desired piece furniture or you can discover what is on offer currently near you i.e. your current location. Also you can explore certain categories and start from there.

CREATE AD - click and post in seconds, take a picture, add short description, price and click publish. It is simple and easy as that. Also for best results you can add video, which will augment the perception of the furniture you are selling.

CONTACT SELLER – Learn more or Click to Buy, when you find something that you want Click to connect provide instant gratification through our messaging service until your ready to connect.

In case you are the seller, then with FurnishMe you will be able to receive notification when interested person contacts you.

SHARE - In order to help you spread the word about your ad we've included built-in share option. This save you time in letting people you know that you have things for sale or interested in buying. After you post an ad, share it with your friends and family on facebook and twitter.

FAVORITES - When you see something of interest save it for later and continue exploring other items "Favorites" and revisit it later.

"Having the opportunity to serve people through the iBuyWeSell.com social marketplace in the past 3 years we were constantly learning about the different groups of people that we can serve even more specifically. The people that are on a constant look-out to buy and/or sell furniture are one of the best that we can bring great value to. All of that starts with FurnishMe!" >

say Bob Ilievski, Founder and CEO of iBuyWeSell.

FurnishMe is now available FOR FREE on the Android market. The app is available in 6 national markets: US, Australia, India, Sweden, UK and Macedonia. Also it is our pleasure to announce that we are working on launching new apps that will serve other specific needs of the people that want to live smart, responsible and efficient life.
